In response to FEC letter dated 8/31/2015 in reference to August Monthly Report (7/1/2015 - 7/31/2015).

We filed Notification of Multicandidate Status on July 10, 2015 and were under the impression that would automatically change our filing status from quarterly to monthly. Please accept this as notice that beginning July 1 2015, this committee has changed its filing schedule from quarterly to monthly.

Thank you for your attention to this matter.
